- The sale price of my work is subject to a commission of 17% which covers credit card fees (if applicable) and exhibition overhead (labels, wrapping, signage, advertising, etc.) plus *Square* charges.
- I am an independent contractor, **personally** responsible for any applicable taxes on my sold works.
- I will abide by all decisions of the TIFAA Show Committee/ Executive regarding exhibition operations and by any decisions of the curators as regards the quality and/ or appropriateness of my works for display; as well as how and where they are hung in the exhibition, although the curators will endeavour to ensure that all hanging artists have equal access to perceived "better/prime" locations.
- I will not remove works from display for use in other venues without the approval of the Show Committee/ Executive for the duration of the exhibit.
